The original home built in the 1930's was completely dismantled and rebuilt from the crawl space up while leaving vestiges of times gone by. Gorgeous kitchen with oversized granite island and vintage brick wall from original home. Vinyl plank flooring throughout and ceilings created from the homes original flooring. This home is a work of art with all the comforts and luxury of a modern home. Spacious rooms with primary bedroom on the main with ensuite and walk in closet. Two bedrooms, full bathroom and large family room up. The home has an abundance of windows and light. Cozy up in front of the fire and relax with a glass of wine or step outside and enjoy the privacy in the fully landscaped yard , fruit trees included! Bonus: Separate 2 bedroom carriage home above the double garage with its own postal address. And all of this less than a block from the beach and minutes walk to the downtown core!
